

Alvarado's Model CSG is a heavy-duty, single direction, self-closing gate designed for use in retail stores, schools, libraries, and other applications.

Model CSG gates are easy to install, and feature fully welded stainless steel construction.

CSG gates open 90 degrees in a single direction, and provide a 36 inch passage width. The gate arm assembly is hinged with a rugged gravity closure mechanism to provide smooth, self-closing operation.

The versatile CSG can be installed as a stand-alone gate, or may be used in conjunction with post & rail systems.

Optional factory-attached or loose rail outlets are available for integration with your railing layout.

CSG gates may be ordered with right or left-hand gate swing.

Standard finish is bright polished stainless steel, with optional color powder coat finishes also available.

- **Gravity Action Self-Closing Design**
- **Passage Width of 36"**
- **Welded Stainless Steel Construction**
- **Single Direction - Right or Left Hand Gate Swing**

ALVARADO

DESCRIPTION

PRODUCT NAME
