

Alvarado's rugged Defender SS/XT removable corner guards offer advanced protection for valuable cases and fixtures. With an updated look, the Defender SS/XT corner guards are perfect for any decor.

The stainless steel Defender SS/XT has an attractive, rounded profile offering protection from every angle. Featuring a socketed anchoring system, Defender corner guards are removable for quick and easy floor cleaning and case maintenance.

The Defender-SS, with all stainless steel construction, has a satin finish that's easy to clean and can be polished to remove minor scratches. For added durability, the Defender-XT has an extremely tough, black polyurethane coating that won't chip or peel.

Defender-XT's are available in custom colors for large quantity orders, while the Defender-SS comes standard in satin stainless steel. Both models are available in 12", 16" and 24" installed heights.

- **Durable Stainless Steel Construction**
- **Removable for Easy Floor and Case Maintenance**
- **Fully Welded Socketed Anchoring System**
