

Alvarado's GDF is a single direction, spring action, self-closing gate designed for normal, light-duty use.

Model GDF gates include a stop tab welded to the gate arm, limiting the swing of the gate to a single direction.

A tension spring contained within the hinge post provides a smooth, self-closing action, with no exterior pinch points.

Suitable for use in retail stores, schools, libraries, and other facilities, GDF gates are constructed from fully welded tubular steel,

with all welds ground and polished smooth. The gate arm allows a comfortable 36" passage width.

The GDF is a reliable, cost-effective choice as a stand-alone gate, and may also be used with post and rail systems.

Optional factory-installed rail outlets on the gate posts are available to simplify integration with your railing layout.

GDF gates come in bright finish chrome and may be ordered with right-hand or left-hand gate swing,

- **Single Direction Gate With Stop Tab**
- **Spring Action Self-Closing Design**
- **Fully Welded Construction**
- **No Exterior Pinch Points**

ALVARADO

DESCRIPTION

PRODUCT NAME

Model GDF - Single direction, spring action, self-closing gate.

APPLICATIONS

Suitable for use in retail stores, libraries, schools and other applications. May be installed as a stand-alone gate, or used in conjunction with post and rail systems.

PRODUCT FEATURES

Materials and Operation

- Heavy gauge materials meeting appropriate ASTM standards
- Fully welded tubular steel gate arm assembly includes a stop tab to limit gate swing to a single direction
- Self-closing operation - tension spring is contained within the hinge post
- No exterior pinch points
- Gate posts use four-bolt anchoring for secure installation on level concrete

Finishes

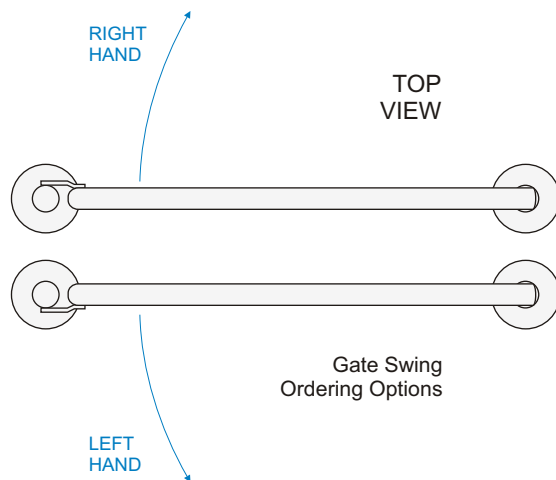

- Bright-finish chrome
- Optional powder coat or satin stainless steel is also available

GDF OPTIONS

Rail Outlets - GDF gates may be ordered with factory-attached or loose rail outlets for installations that require integration with Alvarado post and rail systems.

WARRANTY

Alvarado's one-year written warranty applies to all products.
