

Alvarado's rugged Model LG manual swing gates are suitable for normal, every day use in retail stores and other applications

The Model LG includes a unique lower bearing outlet to provide added gate arm strength.

The gates are designed to open in a single direction and include a reversible latch mechanism that allows easy configuration for right or left-hand gate swing. The latch may also be padlocked for added security.

When used in conjunction with post and rail systems, LG gates may be ordered pre-configured with factory installed rail connector outlets that are attached to the hinge and latch posts.

LG gates are offered in two different gate arm lengths, allowing passage widths of 36 and 48 inches.

Standard finish is bright chrome, with color powder coat finishes also available.

- **Quality Steel Construction**
- **Unique Lower Bearing Outlet**
- **No Exterior Pinch Points**
- **Latch Is Reversible To Allow Right or Left-Hand Swing**

ALVARADO

DESCRIPTION

PRODUCT NAME

Model LG - Single direction, manual swing latch gate.

APPLICATIONS

Suitable for use in retail stores, libraries, schools and other applications. May be installed as a stand-alone gate, or used in conjunction with post and rail systems.

PRODUCT FEATURES

Materials and Operation

- Heavy gauge materials meeting appropriate ASTM standards
- Fully welded steel gate arm assembly - lower bearing outlet provides added strength
- Hinge and latch post are constructed from chrome plated steel
- Manual gate swing - right or left-hand
- Latch assembly is reversible to allow gate swing direction to be changed
- Latch may be padlocked for added security

Finishes

- Bright-finish chrome
- Optional powder coat finishes are also available

LG OPTIONS

Breakaway Latch - Allows the LG gate to be used as an emergency exit.

Rail Outlets - LG gates may be ordered with factory-attached or loose rail outlets for installations that require integration with Alvarado post and rail systems.

WARRANTY

Alvarado's one-year written warranty applies to all products.
