Product Description: The CRI is designed to provide corner case protection.

Components:

- The **CRI Case Protector** is a single fabricated piece with a 7.46" wide curved protective surface having an outer radius of 3.73" and three (3) anchor tabs on the interior base.
- The **Anchor Package** consists of three (3) SB anchors with 3/8-16 x 2½" HHCS and washers. Each SB anchor is a 1½" long x 5/8" diameter single-expansion system that expands to lock the anchor bolt securely in place.

Finishes: The CRI is available in the following finishes:

- **Stainless Steel** – All external fabricated materials are composed of #304 stainless steel, 12-gauge, polished to a #4 satin finish.
- **High Polished Chrome** – All external fabricated materials are composed of cold rolled chrome plated steel, 7-gauge, with a mirror chrome finish.

Size: CRI case protectors are available in 12", 16", and 24" heights.

Shipping: CRI case protectors are shipped fully assembled. Each CRI case protector includes anchor hardware to mount the unit to a standard, level concrete floor. Alvarado ships products throughout the world.

Installation: All CRI case protectors must be installed on level concrete. Installation should be performed by a skilled installer following the manufacturer's directions and instructions (supplied with the protector).

Warranty: Alvarado Manufacturing Co., Inc. warrants the CRI case protector from defects in material or workmanship, for the period of ONE YEAR from date of shipment. Complete details of the warranty are available from Alvarado by request.

Technical Services: Technical information is available from Alvarado Mfg. Co., Inc., and its representatives, distributors and dealers.
