**Product Description:** The Wall Mount Escort is a self contained Retractable Belt mechanism capable of being mounted to a wall or store counter. The Escort Wall Mount unit utilizes a spring tensioned 2" wide woven nylon belt. The belt can be fully extended to a length of six feet, but will remain taught when used to span shorter distances as well. The belt fully retracts automatically and can be attached to any available attachment point. The Escort also includes a Wall Mount Receptacle to attach the belt to an adjacent wall.

**Materials:** All materials meet the appropriate ASTM Standards.

### **Mechanical Components:**

- The **Escort** is a 4" tall heavy walled T5 tempered 6465 aluminum extrusion. The Escort is approximately 3.175" in diameter. Mounting hardware is provided to attach the Escort to a wall.
- The **Belt** is 2" wide woven nylon. The belt can extend up to 72". The belt is available in a variety of colors or with silk-screening. A 1.269" x 3.125" plastic Belt Hook is attached to the end of the belt to allow the belt to be secured to a wall receptacle or another Escort.

- The **Spring** is a stainless steel, power-wound constant force spring which retracts the complete length of the belt when not in use.

**Finishes:** The Escort Wall Mount is available in the following finish:

- **Anodized Aluminum** – All external fabricated materials are composed of anodized aluminum.

**Size:** The Escort Wall Mount has an overall height of 4". The Escort has a diameter of 3.175". The belt extends up to 72".

**Shipping:** Escort Wall Mount Units are shipped fully assembled. Each Escort Wall Mount Unit includes mounting hardware to mount the unit to a wall. Alvarado ships products throughout the world.

**Installation:** All Escort Wall Mount Units must be installed on flat walls. Installation should be performed by a skilled installer following the manufacturer's directions and instructions (supplied with the product).

**Options:**

The following is a list of options that are available for the Escort Wall Mount Unit:

- **Post Mount** – 4" high unit that attaches to the side of a 2" or 2-1/4" diameter post. This unit has two receptacles for belt attachments and one belt. A wall mount receptacle that attaches to the adjacent wall and receives the belt hook is included.
- **Receiver Only** – 4" high unit that attaches to the side of a 2" or 2-1/4" diameter post. This unit has three receptacles for belt attachments.
- **Trim Strips** – 1-3/8" wide high-pressure color laminates (Formica ®) or aluminum are available to match the décor of the location. They can easily be changed to match different locations. Three (3) Trim Strips are included with each Escort and are inserted along the sides of the Escort.
- **Belts** – Custom belt colors, belt messages and logos are available.

**Warranty:** Alvarado Manufacturing Co., Inc. warrants the Escort Wall Mount Unit from defects in material or workmanship, for the period of ONE YEAR from date of shipment. Complete details of the warranty are available from Alvarado by request.
