**Product Description:** The REO removable kit consists of a base plate adaptor that can be installed on Vogue series posts to make them removable.

### **Components:**

- The **Base Plate Adapter** consists of a 1 3/8" OD shaft made from 3/16" zinc plated cold rolled steel with a 4 gauge 5 1/2" diameter flange at the base with four (4) anchor holes.
- The **Socket** is a 3.5" long 1 1/2" OD 16 gauge stainless steel socket.

**Shipping:** The REO Kits are shipped ready for assembly. Alvarado ships products throughout the world.

**Installation:** All REO Removable Kit must be installed on level concrete. Installation should be performed by a skilled installer following the manufacturer's directions and instructions (supplied with the kit).

**Warranty:** Alvarado Manufacturing Co., Inc. warrants Zenith series posts and rails from defects in material or workmanship, for the period of ONE YEAR from date of shipment. Complete details of the warranty are available from Alvarado by request.

**Technical Services:** Technical information is available from Alvarado Mfg. Co., Inc., and its representatives, distributors and dealers.
