Product Description: Space Saver series posts are designed for use with Alvarado railing systems to provide security and directional control. They may also be used for case protection applications.

Components:

- The **Space Saver Post** is a 2.25" OD tube made from 16-gauge cold rolled steel with a 3.5" diameter flange at the base and is available with double rail outlets in various configurations. A base cover, post cap, and post cup are included with each post.
- Space Saver Posts may be used with standard Alvarado horizontal rails. **Rails** are 1.75" OD tubes made from 16-gauge cold rolled steel available in various lengths.
- The **Anchor Package** consists of a 5/8" OD anchor shaft that extends down the interior of the post to connect to one (1) each 2.75" long x 1" diameter double-expansion system SA anchor that expands to lock the Space Saver Post securely in place.

Finishes: Space Saver series posts are available in the following finishes:

- **Stainless Steel** – All external fabricated materials are composed of #304 stainless steel and polished to a #4 satin finish.
- **High Polished Chrome** - All external fabricated materials are composed of cold rolled chrome plated steel and mirror polished.
- **Powder Coat** – All external fabricated materials are composed of cold rolled steel and powder coated in one of many available colors.

Size: Space Saver series posts are available in heights of 35” with double rail outlet configuration.

Options:

- **Post Bumper Guard** – Space Saver Posts may be ordered with a factory installed 5” diameter Post Bumper Guard to protect against damage from shopping carts.

Shipping: Space Saver series posts are shipped ready for installation with hardware to mount the unit to a standard, level concrete floor. Alvarado ships products throughout the world.

Installation: All Space Saver series posts must be installed on level concrete. Installation should be performed by a skilled installer following the manufacturer’s directions and instructions (supplied with the posts).

Warranty: Alvarado Manufacturing Co., Inc. warrants Space Saver series posts from defects in material or workmanship, for the period of ONE YEAR from date of shipment. Complete details of the warranty are available from Alvarado by request.

Technical Services: Technical information is available from Alvarado Mfg. Co., Inc., and its representatives, distributors and dealers.
