Product Description: Vogue series posts are designed for use with Alvarado railing systems to provide security and directional control. They may also be used for case protection applications.

Components:

- The **Vogue Post** is a 2.25" OD tube made from 16-gauge cold rolled steel with a 5.5" diameter flange at the base with four (4) anchor holes and is available with double or triple rail outlets in various configurations. A base cover and post cap are included with each post.
- When equipped with rail outlets, Vogue series posts may be used with standard Alvarado horizontal rails. **Rails** are 1.75" OD tubes made from 16-gauge cold rolled steel and are available in various lengths.

Finishes: Vogue series posts and rails are available in the following finishes:

- **Stainless Steel** – All external fabricated materials are composed of #304 stainless steel and polished to a #4 satin finish.
- **High Polished Chrome** - All external fabricated materials are composed of cold rolled chrome plated steel and mirror polished.
- **Powder Coat** – All external fabricated materials are composed of cold rolled steel and powder coated in one of many available colors.

Size: Vogue series posts are available in heights of 35" or 44", with Alvarado double or triple rail outlet configurations.

Options: Vogue posts are available with the following options:

- **Anchor Package** - Consists of four (4) each SB anchors with 3/8-16 x 2½” HHCS and washers. Each SB anchor is a 1½” long x 5/8” diameter single-expansion system that expands to lock the anchor bolt securely in place.
- **Zenith Anchoring Kit** – Converts standard Vogue post to Zenith style post. includes center shaft, Zenith style cap, anchor, and anchor cup.
- **Post Bumper Guard** – Vogue posts may be ordered with a factory installed 5” diameter Post Bumper Guard to protect against damage from shopping carts.
- **Post Panel Bracket** – Aluminum panel bracket used when installing a solid panel between posts instead of railing. The bracket is sized to fit the post with a flat mounting surface for panel attachment.

Shipping: Vogue series posts are shipped with 5.5” base cover. Mounting hardware is sold separately. Alvarado ships products throughout the world.

Installation: All Vogue series posts must be installed on level concrete. Installation should be performed by a skilled installer following the manufacturer’s directions and instructions (supplied with the posts).

Warranty: Alvarado Manufacturing Co., Inc. warrants Vogue series posts from defects in material or workmanship, for the period of ONE YEAR from date of shipment. Complete details of the warranty are available from Alvarado by request.

Technical Services: Technical information is available from Alvarado Mfg. Co., Inc., and its representatives, distributors and dealers.
