Product Description: The Zenith series posts and rails are designed to provide security and directional control.

Components:

- The **Zenith Post** is a 2.25" OD tube made from 16-gauge cold rolled steel with a 5.5" diameter flange at the base with four (4) anchor holes and is available with single, double, or triple rail outlets in various configurations. A base cover, post cap, and post cup are included with each post.
- The **Zenith Rails** are 1.75" OD tubes made from 16-gauge cold rolled steel.
- The **Anchor Package** consists of four (4) each 1½" long x 5/8" diameter single-expansion system SB anchors with 3/8-16 x 2½" HHCS and washers. In addition, there is a 5/8" OD anchor shaft that extends down the interior of the post to connect to one (1) each 2.75" long x 1" diameter double-expansion system SA anchor.

Finishes: Zenith series posts and rails are available in the following finishes:

- **Stainless Steel** – All external fabricated materials are composed of #304 stainless steel and polished to a #4 satin finish.
- **High Polished Chrome** - All external fabricated materials are composed of cold rolled chrome plated steel and mirror polished.
- **Powder Coat** – All external fabricated materials are composed of cold rolled steel and powder coated in one of many available colors.
- **Hot Dipped Galvanized** – All external fabricated materials are composed of cold rolled steel and hot dipped galvanized.

Size: Zenith series posts are available in heights of 35” or 44”, with single, double, or triple rail outlet configurations, with the topmost rail located 32.875” or 41.75” above the finished floor, respectively. Double rails are separated 12.25” apart, and triple rails are separated 10.5” apart. Zenith series rails are available in lengths of 1’ to 8’ in 6” increments, as well as special lengths of 1’9”, 2’9”, 3’9”, 9’, and 10’.

Shipping: Zenith series posts and rails are shipped fully assembled. Each Zenith series post includes socket hardware to mount the unit to a standard, level concrete floor. Alvarado ships products throughout the world.

Installation: All Zenith series posts and rails must be installed on level concrete. Installation should be performed by a skilled installer following the manufacturer’s directions and instructions (supplied with the posts).

Warranty: Alvarado Manufacturing Co., Inc. warrants Zenith series posts and rails from defects in material or workmanship, for the period of ONE YEAR from date of shipment. Complete details of the warranty are available from Alvarado by request.

Technical Services: Technical information is available from Alvarado Mfg. Co., Inc., and its representatives, distributors and dealers.
